In heaven I
Play golf all day
In checker stripes
My swing is perfection
My cherry clads
Propellers and aerodynamics I
in consultation
my cherry clads
and in heaven
this monologue
Is not a dialogue so listen
My cherry clads
professor engineering

Yeah you described
when I was eleven
3-d cars
Your lines were diagonal
Our frequency,
transmission, vibration,
Professor do you
wear Reeboks in heaven?
Yeah.
