

# Full Blown Chaos, Undying

Abandoned word of god  
Punishment for broken faith  
Saturated floods of fire  
Wave by wave I drown in flames

UNDYING  
Condemned to walk this cursed earth  
All that remains  
Baron decay  
Every nerve  
Fires in pain  
Eternal life in dying days

Condemned to walk this cursed earth  
All that remains  
Baron decay  
Every nerve  
Fires in pain  
Eternal life in dying days

Damned every dawn  
By new death  
My heart bled dry  
Filled with ash  
All my sins keep me alive  
Undying - Undead

Condemned to walk this cursed earth  
All that remains  
Baron decay  
Saturated floods of fire  
Wave by wave I drown in flames  
Undying - Undead

Undying - Immolation  
I am forever burning  
Undying - Immolation  
Begun by blood  
By blood undone

Undying - Immolation  
I am forever burning  
Undying - Immolation  
Begun by blood  
By blood undone

No longer fear the pain  
Of napalm through my veins  
Unholy price I pay  
To walk these dying days
