

Full Blown Rose, Burden Of Sacrifice

Verse 1:

I feel the darkness blinking over me
Seems like forever I've been paralyzed
What is the reason you have come to recon me
I feel the energy rush through my veins.

Chorus:

Take my hand
Rescue me
Justify
Set me free
Break me down
Make it right
Burden of sacrifice

Verse 2:

Sometimes I wonder why I'm here at all

*Note: This is not the whole song. These are just a few of the lyrics that I got from the song clip. No cd or songs were released yet.
