Full Devil Jacket, Fastblack

Relax and hunger for hesitation Remember the times that cut so deep The bridge is burning in shallow water The bride is taking too much sleep

Unwind sunshine and meet your maker Define the line of blood and truth Unwind sunshine and make your martyr This time life depends on you

Madtrain return of depression He's an icy lonely strung out creep His days are turning into nightmares The dark horse eats God's Lonely sheep

Unwind sunshine and meet your maker Define the line of blood and truth Unwind sunshine and make your martyr This time life depends on you

I know it, I see it It's right in front of my face, my face

Unwind sunshine and meet your maker Define the line of blood and truth Unwind sunshine and make your martyr This time life depends on you

On you
