

# Full Devil Jacket, Wanna Be A Martyr

Why are you talking to me?  
I think I've taken too much  
Tell me who told you  
What you think you know  
If I am changing  
Maybe I'm growing into a version  
Of the sewer Christ picture show  
Maybe it's stupid  
Maybe it's nothing  
Maybe this something  
Just won't go away  
I'm not a liar  
And I'm not a martyr  
I'm just trying  
Not to get thrown away  
How does it feel?  
I feel so alone  
How does it feel?  
I feel so cold  
Maybe it's stupid  
Maybe it's nothing  
Maybe this something  
Just won't go away  
How does it feel?  
I feel so alone  
(What did you take from me?  
I give you everthing)  
How does it feel to be part of your world?  
How does it feel to be part of this world?
