

Fun Factory, Be Good To Me

I'm feeling fine now
I'm in love with you
You're so good to me baby
I am falling for you, oh baby
I'm doing right I'll never be blue
Cause I know know know
Be good to me babe
Be good to me

I'm feeling fine now
I'm in love with you
You're so good to me babe
I am falling for you, oh baby
I'm doing right I'll never be blue
Cause I know know know
Be good to me babe
Be good to me
Be good to me babe
Be good to me
Be good to me babe
Be good to me

Just be good to me
Baby can't you see that you're the one for me
The girl in my dreams and you're so good to me
I would fly you to the stars
I would buy expensive cars
Everything will be alright tonight
If you will stay by my side
'Cause you're the one that I like and you're the one that I need
For you girl I'll go down on my knees
You're driving me crazy and please don't say maybe

'Cause you're the one for me
You're my beautiful lady

Oh well it's plain to see baby
Yeah you belong to me babe
No matter how long it takes
I'm after you I'm gonna get you
Baby you're my desire
You set my heart on fire
Oh we can get so high
Oh take my hand and stay here tonight. Tonight.
Tonight.....

Come here girl
You know I'll be good to you
The way you look I can't help but to be with you
You make me crazy with your walk your talk your style
Here to ask girl
Can I talk to you for a while?
Girls like you are hard to find
Baby I'll be honest
Yo! You just blow my mind
So give me a chance and a short dance
Or give me a chance at true romance

It feels like heaven baby
Touch me and don't say maybe
You got me going crazy don't make me wait for you
Baby It's now or never
Stay with me forever

Baby don't hesitate give me love and be good to me
