

# Fun Lovin' Criminals, 10th Street

When 8 o'clock rolls around  
and the same old shit is gettin' down  
go to 10th street, yeah 10th street  
If you don't want D and you don't want that crap  
but you gotta get the monkey off ya back  
go to 10th street, 10th street

chorus:

We got what ya need  
A pillow bag with much to many seeds  
Up on 10th street  
Baby, baby keep it down  
I believe I see the man

Look around as much as you like  
smell the bags and hold on tight on 10th street  
yeah, 10th street  
They'll gladly snatch your cash, give 'em gerbil shit and call it hash on 10th street  
That's right on 10th street  
Chorus
