

Funeral Dark, My Dark Desires

Father

I call your name upon the
furious winds
I'm possessed by the
spiritual strength of Hell
In the chambers of my dark
heart a black flame burns
Satan

I summon the horned one
from the darkened realms
Grant me the darkened
unholy power
To please my evil wicked
lust

The coveted hour has
finally arrived
The hour when darkness
over skies descends
Under the pale light of the
frozen moon

I prepare the virgin for
sacrifice

I whisper forbidden names
upon the skies

Nocturnal visions reveals
before me

Nightfall embraces my
hateful cries

As I fulfill my dark desires

My dark desires

My dark desires

My dark desires

My dark desires

Satan

take my soul to hell
I must burn in unholy
flames

Satan

take my soul to hell
I must burn to purify my
weak soul

Bring damnation upon my soul!

My dark desires
My dark desires
