

Funeral Dress, I'm In Love With Oi! (And I Feel Fine)

People try to bring us down
Not a chance when I'm around
We're the kids, here, today
The dead-end sings every day

I'm in love with Oi-Oi-Oi
I'm in love with Oi-Oi-Oi
I'm in love with Oi
And I feel fine
[x2]

I don't wanna go to school
I wanna smash every rule
Society's one big lie
I wanna live before I die

I'm in love with Oi-Oi-Oi
I'm in love with Oi-Oi-Oi
I'm in love with Oi
And I feel fine
[x6]
