

# Funeral Dress, Underground Unity

punks and skins  
together here tonight  
not a wurdance  
not a fight  
face the music  
the engine, the deal  
open up  
for the power you feel

[Chorus:]  
ooho-underground unity  
ooho-underground unity  
ooho-underground unity

hot as hell,  
it's heaven alright  
thumping beat,  
sound and light  
arm in arm  
row after row  
comes the countdown  
...3-4 go!

[Chorus]
