

# Funeral Mist, Realm of Plagues

Winter, eternal night  
Be my solace, be my light  
Naked trees like they always been dead  
Eternal curse  
Dreams have told me, dreams have shown  
The beauty of this place  
Death and darkness, funeral mist  
Desolation  
Realm of plagues  
Shadow, no source of life  
Frozen in flames ice  
O Ruler of shadows come forth  
End my seeking  
Hear the silence scream if anguish  
See the darkness shine  
Dominion of the devil himself  
Kingdome divine  
God!  
I entreat thee, oh mightiest of adnegmeolnss  
End my seeking of the realm of plagues
