

# Funker Vogt, Funker Vogt 2nd Unit (Transmitted)

If the devil voice can be stopped and destroyed....  
Then the universe will be safe

Your light has gone out  
Your soul escaped your body  
Your struggle is ended  
You have reached your goal

Your days are counted  
That was supposed to be your fate  
But your ghost cannot be killed  
Escaping from eternity

Loyalty doesn't exist for you  
Now you are a solitary fighter  
But your new enemy  
Is now the whole world

Killing was always easy  
As an outlet for the bad  
You have always been hunting for fame  
Without caring for the losses

Funker Vogt, Funker Vogt  
Always and forever  
Conspiring with the devil  
Conquering together

Your evil spirit around us curves  
Seizes possession of our world  
Created here on mother earth  
Already present in a thousandfold  
A Funker needs noone more  
Cause we'll kill each other on our own

Funker Vogt, Funker Vogt  
Always and forever  
Conspiring with the devil  
Conquering together

Funker Vogt, Funker Vogt  
Once the conqueror  
Now you've sold your soul  
Leaving as a shadow warrior

Funker Vogt, Funker Vogt  
Always and forever  
Conspiring with the devil  
Conquering together

Funker Vogt, Funker Vogt  
Once the conqueror  
Now you've sold your soul  
Leaving as a shadow warrior
