

Funker Vogt, Funker Vogt (March On!)

They have drawn you in
And you wanted it
Let us play war
cause you are a german man
They didn't lie to you
And you knew it
Go to the war
And celebrate your victory

Funker Vogt, Funker Vogt
Be a warrior
Stand tall for your fatherland
Funker Vogt, Funker Vogt
Fight for your pride
Stand firm and kill to live

Funker Vogt, Funker Vogt
Be a warrior
Stand tall for your fatherland
Funker Vogt, Funker Vogt
Fight for your pride
Stand firm and kill to live

This always was your aim
cause they gave the order
Now we practice war
As a patriot for fatherland
You go to the war
Side by side with your comrades
With all your strength and dignity
But without a brain - For victory

Funker Vogt, Funker Vogt
You are a warrior
Doing everything for your fatherland
Funker Vogt, Funker Vogt
Fight for their pride
March on and kill for their state

Funker Vogt, Funker Vogt
You are a warrior
Doing everything for your fatherland
Funker Vogt, Funker Vogt
Fight for their pride
March on and kill for their state

They have sent you to the front
And you wanted it
There is your personal war
Now show that you're a german man
Never believed in your own death
But they got you
You died for your fatherland
Without fear and without doubts

Funker Vogt, Funker Vogt
Been a warrior
Did everything for your fatherland
Funker Vogt, Funker Vogt
Fought for stupid pride
Died hard as a soldier

Funker Vogt, Funker Vogt
Been a warrior

Did everything for your fatherland
Funker Vogt, Funker Vogt
Fought for stupid pride
Died hard as a soldier
