Funker Vogt, Tragic Hero (Blind Vision Remix)

I saw all the tragedies happened to mankind i'm always involved when trouble hits our life

Bridge:

It's not me to turn the fate to a better end what I do will make it worse so I stopped interfering

Chorus:

I'm a tragic hero in this game called life my chances go to zero but I will always survive

I saw all the great disasters all over the world I can only observe but never interact

Watch out for me and be aware now trouble is ahead try to avoid my company so you will be save
