Funkmaster Flex, Did She Say (So So Def Remix

(feat. Jagged Edge, Jermaine Dupri, Da Brat)

[Funk Flex] Oh shit

[Bow Wow]

So So to the Def, uh uh, J.E., Bow Wow 6 in the mornin, moms at my door Air force all whited, cross the kitchen floor Gotta interview the Dew, I ain't tryin to be late But I can't leave the house without my Funk Flex tape You know me, A.K.A little Cold Crush Keep it hoppin like a 6-4 juiced up Keep it poppin from the Tunnel to the plush So So Def, yeah that's us

[Jagged Edge]

Tell me how can you, believe everything you hear She ain't tellin you, cuz she really wants to be here, with me And she would do anything to get with me so please Don't believe a thing that she says to you

"Did She Say" she, that she been callin me, baby And she told you I was no good how bout them time, she tried to give it to me "Did She Say" that she wanted me, "Did She Say"?

The first time that she, stabbed you in your back Open up your eyes and see, a real friend wouldn't do that Cuz you need to sit her down, and let her know Came at supper. Good thing. So go I just wanna know one thing, baby "Did She Say"

That I want your man, makin all sorts of plans Tryna get me away from you And as soon as you're gone, she's tryna get it on Baby, don't you listen to what she say

[J.D.]
Uh-uh, uh, uh, we don't stop
Yo, uhh
Now when my pager go..
Who you think that is?
My bitch? No, your bitch, see
She like you, but she in love with me
and how I go back and forth with the B R A T

[Da Brat]
When the 2-way vibrate
it's yo nigga that's tryna come up on a hot date
to get next to Chantee

Face it, he only fuck you cuz he was wasted

And now he want a replacement

[J.D.]

Basically, you listenin to the hottest fam since the Jackson 5 We don't run outside, we hit the middle with the dive play ice in the 20 inches on the ride play when ya see me

[Da Brat] You see me, same thing, same way Radio, TV, are up in your face It's us, the disgustingly, bust and come up [J.D. (Brat)]
Wit our head out the window scream
(We don't give a fuck)
Meet us dead in the red till the
(Shit blow up)

[Funk Flex]
