With the remedy kid you better be on your toes  
With the hardcore raps in fact bats and gats bustin' lyrical caps  
To make your whole team collapse

[Nocturnal:]

Who is it? Fuck the Volva rugged like a land cruiser  
Blunt abuser watch out my style manuevers  
Quickly I can say a verse that'll burst every vessel  
In your brain muscle  
Use to hustle on the street like flip a triple knife in the philly  
My style is as Free as Willy

They hate me with a passion we laughin' at the squad yappin'  
Ain't nothin' happenin' your ass will get Slashed  
Like that dude from the rock group
