[Mos Def]

Ha ha, said the world world world famous  
Said wa wa wa wa world world world famous  
Said wa wa wa wa world world world famous  
Said the world premier, who's standin here  
I'll let you know  
Flow so diligently (Mos Def)  
I make it sound so differently (Mos Def)  
Me and Sean J. both willing to be considerably  
Shine like a good feeling to me  
To all my people all originally all from Brooklyn shows  
Give the party people what they lookin for  
And it's lookin mo' bright, my game mo' tight  
Said it's alright, alright, I said this all night  
Rockin all night, all night, we rockin all night  
All my people in Brooklyn, show yo' respect  
All my people in QB, show yo' respect  
Flex mix this, Mos kick this, now you gon' get this  
Handlin the business  
>From here on to the city limits  
Them other cats sounded unfinished  
But let me jump in it, I rump wit it, I thump in it  
I got the Sean J. jump in it  
Accompanied by what be fly, speakin candidly, me and my family  
Is doin very outstandidly, it ain't nuttin but a jam to me  
It's just my man and me  
And that's the F-U-N-K-M-A-S-T-E-R  
Flexin it, respectin it, make the honey dolls get affectionate  
I'm in your section wit de womp de womp de womp de de womp womp  
World, world world famous, we ain't nameless  
Yo you know this jam it be bumpin in the foreign lands  
And all your mans be like "yo, damn!"
