

Funny Money, Art Of Persuasion

(Steve Whiteman, Shea Quinn)

I'm such a fool I must be crazy
Why you so cruel to me baby
What makes your world go round
Tell me 'cause I don't know - oh
So up and down like an emotional yo-yo
But it's all right now
I said it's all right I don't know why I don't know how
But just looking right into your eyes
It's your art of persuasion
Girl you got me hypnotized
It's your art of persuasion
All of your lies are tearin' us apart
I can't deny it, you're breaking my heart
Never room for compromise, it's your art of persuasion
Ice in your veins makes your blood run cold
I shut my mouth and I do what I'm told
You are my Jezebel, a hard woman to please
You always bringing me down, to my knees
But it's all right now
I said it's all right I don't know why and I don't know how
But lookin' right into your eyes
It's your art of persuasion
Girl you got me hypnotized
It's your art of persuasion
All your lies are tearin' us apart
I can't deny it you're breaking my heart
Never room for compromise, it's your art of persuasion
How can I say goodbye
how many times I tried
How can two worlds collide
Lookin' right into your eyes
It's your art of persuasion
Girl you got me hypnotized
It's your art of persuasion
All your lies are tearing us apart
I can't deny it you're breaking my heart
never room for compromise, it's your art of persuasion
Yeah it's your art of persuasion
Art of persuasion
Your art of persuasion
Your art of persuasion
Art of persuasion
