

Further Seems Forever, All Rise

We've waited so long
I never was that strong
Keep looking back on
READING IT RIGHT OR WRONG
Welcome me back home
I never walked alone
HELP TO MOVE ON
We've come to far to turn back now

I know
We've come to far to turn back now
I know

All rise, all rise
All rise, all rise
All rise, all rise
All rise, all rise
All rise, all rise
All rise, all rise

Make it a part of who we are
So much left worth living for (love is coming)
Make it a part of you and me
So much left for us to see (love is coming)
Make it a part of every turn
So much left for us to learn (love is coming)
Make it a part until the end
So much left to learn again (love is coming)
