

Further Seems Forever, Insincerity

It's been a long time since I felt the rain upon my head

A moment in separation

The foreground don't seem so bright

These angels in my head are in between the shadow and the light

Were my arms too short to ransom you

From broken skin and black and blue

Unstitch your eyes so you could read this forever

Dead and broken and

I'm backwards turned to love

My heart in a box I'd send to you

For a sky held up by stars

Were my arms too short to ransom you

From broken skin and black and blue

Unstitch your eyes so you could read this forever

It's been a long time since I

Felt the rain upon my head

Your varying degrees of grayness

Tugging the deepest of heartstrings

Were my arms too short to ransom you

From broken skin and black and blue

Unstitch your eyes so you could read this forever
