

Further Seems Forever, Make It A Part

Take second chances
Everyone deserves it
Help me start over

Take in forgiveness
Everyone deserves it
Help me start to...

Let it rise
Let it fall
Let it climb
Let it crawl on me

Let it live
Let it die
Let it laugh
Let it cry,
all on me

Make it a part of who we are
There's so much worth living for
Make it a part of you and me
There's so much left for us to see
Make it a part of every turn
There's so much left for us to learn
Make it a part until the end
There's so much left to learn again

Love is coming
Love won't let you die alone
Love is coming
Love won't let you try alone
Love is coming
Love won't let you cry alone
Love is coming
Love won't let you die alone
