

Furthermore, Melted Vinyl

Like Onslaught Meltdown vinyl hot as Sunspot he's hunting Morlocks
I'm sure Psylocke will save them from enslavement, it's a Longshot,
X-Factor in Excalibur we were the Fantastic Four plus one more,
Kingpin was just a mortal removed from the mix, and now it's Mr. Sinister's Insidious Six,
Polaris the pacifist, Galactus the activist, acting on his hunger for your planet that's the last of it,
make no mistake Mystique is messing with me, with mutants like her my trust is kind of iffy
if we go back to wild style wild child riles Sabretooth up, I gave Nova a crewcut, I goofed up,
now she's seeing Redskull, I can't say that today is dull, Strong Guy smashed upon the wrong guy,
I work with whatever hand I'm dealt, I felt I needed more vinyl to melt and so it goes with help from
Mr. Fantastic could you reach around the corner down the block to the store and grab me a pop can
Torch is in the kitchen cooking something hot and Cyclops went to 7-11 to get some eye drops,
while I'm waiting for Gambit and Thing to drop by, I got my magic mic in case Apocalypse should tr
but my rep is uncanny and I heard Namor could flow the offshore I mean can he?
Wolverine I need a clean cut and don't say 'but' this time or this rhyme will fall short of fresh fish line
Storm you got on too much eye liner just to go to Silver Surfer's diner off the coast,
the most she could do is call Rogue probably posing for Vogue but instead she went and told Night
now the Invisible Woman would help me see this that I be this, some kind of wonderful and to belie
now Daredevil's giving me static about to get dramatic
when out of nowhere came Colossus who had lost us earlier but blocked the bullets from Daredevil
I had about enough of this so I unleashed my magic mic and blew him away on melted vinyl
I work with whatever hand I'm dealt, I felt I needed more vinyl to melt and so it goes with help from
I work with whatever hand I'm dealt, I felt I needed more vinyl to melt and so it goes with help from
The Punisher met his match so I scratched his Kitty Pryde, pulled the gun on me crying on the insid
we didn't get along back then times were hard but that was before Professor X discovered Masterc
Bishop's sister Shard and I have Archangel watching over us at every angle,
my ankle twisted but I heal real fast, Flash ran by real fast
suddenly stopping up ahead and then we found him, Omega Red halfway dead
I had to Alpha life flight him to hospitality's bed, why did I help our enemy things are better left unsa
it's incredible how the Hulk can hold in anger and sulk, his depression I suspect caused the Domin
now how bad can the Gladiator get, I bet he's got Silver Fox sell her Goldilocks for profit,
we knew of his diabolic plan but didn't know how to stop it, he sent Sentinels but their attack was m
injuries included Banshee and particle Sandman and Shocker, what's stranger than the doctor,
Medusa had to interrupt Blackbolt shut up I wouldn't believe it if I didn't see it see it see-through
Deadpool don't play me for the fool Ms. Marvelous, I'd rather starve than kiss her deadly lips
a lady's Deathstrike
it's like open season on me, so i made a crossover call to the Justice League in Washington, D.C.
I work with whatever hand I'm dealt, I felt I needed more vinyl to melt and so it goes with help from
I work with whatever hand I'm dealt, I felt I needed more vinyl to melt and so it goes with help from
