## Fury In The Slaughterhouse, Don't Slow Down

96 degrees the sun is burning "Ra" is smiling when the whip comes down the caravan of stones creeps through the desert the valley of Kings is filled with sound

hurry up come on pull boys come on never stop hurry up the pharao's dying

the pyramid grows higher and higher the treasure chamber is already filled the pharao is ill no time to waste the architects pray before they get killed

hurry up come on pull boys come on never stop hurry up the pharao's dying

don't slow down tons of stones for the honour of the crown don't slow down pull that stone in the name of the crown

86 degrees in the city of Rome the pope decides he needs a new dome so suffer boys in the name of god and empty your pockets for his new home for his new dome

hurry up come on pull boys come on never stop hurry up the pharao's dying

don't slow down tons of stones for the honour of the crown don't slow down pull that stone in the name of the crown
