Fury In The Slaughterhouse, Kiss The Judas

she took you up to the seventh cloud you had time to fall is it that what you've been dreaming of a promise big as the universe and all the best for free she ripped you off just when you fell in love

I know how it feels
I know how it hurts
it's the disappointment
that makes you feel so sad
I know you can top it
I know that you will
a smile in your face
one last embrace
to kiss the judas
to kiss the judas

mom is dead and dad's in buffalo a long way to go you paid the ticket but she does not come back enjoy a night under candlelight if you pay the cheque her lips so red and the future looks so black
