

# Fury In The Slaughterhouse, Milk & Honey

You don't get your dreamjob  
'cause you're too tall  
You miss your wakeup-call  
A drunken guy crashed in your car  
Can't pay for your drinks at the bar  
Your boss said it was nice to work  
With you, you think he's just a jerk  
The new shoes you bought  
Are ruined after a mile

The sheets are warm  
The fridge is filled  
What's up buddy

Everthing's so funny  
Living in the land, the land of milk and honey  
The land of milk and honey

And now your girlfriend sold  
Your favourite cd  
They've towed your car away  
While watching girls you fell from a tree  
And that was hard  
But now the best  
You haven't seen one girl undressed  
Mummy said they'll take you  
Out of college
