

# Fury In The Slaughterhouse, She's A Star

She's a star  
it is no use telling her  
for she knows  
you're wasting all her time

She's a star  
by rights, everybody knows  
that she is  
brilliant how she shows  
"true embarrassment"  
like all the things she does pretend  
Sometimes you can't believe  
all the ways that she can be

You can't make her day  
...but that's ok

She's a star

She's a star  
you can see it in her eyes  
when she smiles  
a soul like paper thin  
She is known everywhere  
Everybody stares and stares

You can't make her day  
...but that's ok

She's a star

How can you say  
That's her price to pay  
with no way to say "no"

She's a star
