

Fury In The Slaughterhouse, Vincent & Victoria

Vincent & Victoria

Vincent and Victoria
Won't come home today
NY Waldorf Astoria
On the roof they sway
Life falls into oblivion
Their fear is far away
And the wind blows down 5th Avenue
Together they will stay
Today's the day

Oh oh oh
When things become impossible
And even angels cry
There's one way left to keep the love
This is no goodbye
eyes up to the sky
cause all beauty must die

surf & turf and chardonnay
on daddy's credit card
the perfect meal, the perfect day
no one will tear apart
Vincent & Victoria
Their checkout is delayed
Two towels on the bathroom floor
Eternity can wait

... too late

Oh oh oh
