

# Future, Fresh Air

Call me when you leave  
Ostentação, palavra que eu gosto de ouvir  
Sand touch your toes when you cookin' breakfast  
Pacific Ocean out the backyard lookin' sexy  
Straight shot, codeine, no chase  
Don't let your dreams go to waste

I'ma need fresh air  
What I need? Fresh air (what I need, what I need)  
I need to get out on my own  
It's been too long  
Girl, I need

Move on  
Opportunities come once a lifetime  
Without you  
Never broke, play yasef, don't forget I had that  
Come on  
Feelin' like Janet Jackson said, it's all for you  
Never try to put the navigation, when I'm lookin' for it

I'll be right back, I'm on auto-pilot for the week  
I'll be right back  
Bad, bad, but she lookin' badder every week

On some shit to make you mine  
Tell me where the safety at  
Tell me where the security at  
Movin' up to bigger paper bag  
Tell me, tell me, is it impossible  
To do these drugs and fall in love?

I'ma need fresh air  
I'ma need fresh air  
I need to get out on my own  
It's been too long  
Girl, I need

Ohhh  
Sand touch your toes while you cookin' breakfast  
Pacific Ocean out your backyard, lookin' sexy  
Straight shot, codeine, no chase (no chase)  
Don't let y'all dreams go to waste

I'll be right back, I'm on auto-pilot for the week  
I'll be right back  
Bad, bad, but she lookin' badder every week

I'ma need fresh air  
I'ma need fresh air  
I need to get out on my own  
It's been too long  
Girl, I need  
Girl, I need  
I'ma need  
Girl, I need  
I'ma need

Tell me, why wait?  
If I need to breathe  
Tell me why suffocate  
If I need to breathe  
Breathe, breathe  
If I need to breathe

Breathe, breathe  
We, we, we, we

I'm mad, I'm mad, you know that I'm mad  
Tipped up the scale, now pullin' off to Dubai  
I'm mad, I'm mad, you know that I'm mad  
Where is the love tonight? Where is the drugs tonight?  
I need that shit right away  
I just need fresh air right away  
I just need fresh air right away  
All I need is fresh air

I'ma need fresh air  
I'ma need fresh air  
I need to get out on my own  
It's been too long  
Girl, I need  
Girl, I need  
I'ma need  
Girl, I need  
I'ma need

I need that shit right away  
I just need fresh air right away  
I just need fresh air right away  
I'ma need fresh air  
I'ma need fresh air  
I need to get out of my home  
It's been too long  
Girl, I need
