No regrets, I was made like this in Georgia

Don't let me die today
Don't let me perish away today

Don't let me perish away today
Georgia

Everything I rock super fly
Killin' these hoes, Georgia, yeah, suicide (Georgia)
Umbrella on the Rolls Royce when I'm curbside

Yeah, went to the end of the road, then I did a 360
Got a few of my hoes textin', sayin' they miss me (Georgia)
100, 300, let's go, we jumpin' out of it instantly (let's go)
Diamonds gon' light up and glow, she wanna come and ski with me (ooh)
I had her stand on her toes, the marble floor, no sympathy (Georgia)
I gave it to her [?], I made a few [?] chemistry (made a few [?] chemistry)
We the ones drinkin' the most syrup, you can see all the jewelry is loud
Oh, Georgia, don't you give up on me
I can afford you, hope you'll be there for me
I piss out diamonds, I make it super fly
Ain't no regrets, my love will never die

Got no recess, we got no recess
No Tyco, with you
Live with no regrets, we havin' Rolex sex
And they both recessed, I know you best
Got no recess, we got no recess
No Tyco, with you (with you)
Live with no regrets, we havin' Rolex sex
And they both recessed, I know you best

No regrets, no regrets
Every day we go to sleep in Diamond
No recess, no recess
Every day we wake up, nigga, grindin'

Georgia, Georgia
