Smokin' on gas, three-five in a blunt
Poppin' them tags, it's one of a one
I got them chopsticks, ain't going to lunch
Came out the creek, had to drop off a ton
Made it off the streets, I came up from a crumb
Two thousand just for the shoes I put on
Spin out and do a three-sixty for nothin' (Skrrt)
Freestylin' while I got kush in my lung
Crocodile Burberry, that's what I'm on (Brrt, brrt)
Packed out the club, that's a quarter million (Brrt, brrt)
