I change up my hoes like I change up the weather  
I can't wife no thot, I can't wife no thot  
I can't wife no thot, I can't wife no thot  
Bought a couple bags, Pucci on splash  
Dropped a little cash, that's all that  
I can't wife no thot, I can't wife no thot  
I can't wife no thot, I can't wife no thot

I can't wife no thot, forty at my spot  
Smashed her in my drop, got some crazy top  
I done damn near wrecked, off that hoe neck  
I got a little better flex, I damn near was obsessed  
All that is is a bougie freak, saddity bitch from Laguna Beach  
Pussy good and her throat deep  
Sucked so long, made her nose bleed  
I ain't savin' no slutty, I hit her and her buddy  
Bought the freak a little puppy but she ain't nothin' but my cuddy  
I can't wife no thot, suck my dick till she see snot, ha  
I'm from out the slums, fuck these thotties 'cause I'm hot  
Hunnid round drum and I shot it on the spot  
Codeine on her tongue 'cause I'm drinkin' syrup a lot  
Did a donut out the lot soon as I turned out the parkin' lot  
I can't wife no thot, no, I can't wife no thot  
I had bought some Cartiers 'cause that mouth there on lock  
Gucci sock get Louis top, big chain made her pussy pop  
Earring got her lashing out, walkin' round like a rental cop  
Checkin' bitches, they be on the Gram  
Check her phone, I think she tryna scam  
I ain't tryna save these hoes, no thank you, ma'am  
I hit that nanny on green green, swallow my cum, no ring ring  
Red Ferrari a mean ting, I got a mean ting  
Came with her panties, I gave her some lean lean  
I gave her the clean clean  
She want the molly, I gave her a green bean  
She took off her wing wings  
I put her inside of the Bentley thing  
Fucked up a Maybelline  
Maybe she think she more than what she is  
Maybe she thinkin' queen  
Maybe she think Super gone save her  
Maybe she fuckin' 'round with the neighbors

These bitches ain't shit, we fuck 'em together  
I change up my hoes like I change up the weather  
I can't wife no thot, I can't wife no thot  
I can't wife no thot, I can't wife no thot  
Bought a couple bags, Pucci on splash  
Dropped a little cash, that's all that  
I can't wife no thot, I can't wife no thot
