

Future, Life Is Good (feat. Drake)

Workin' on a weekend like usual
Way off in the deep end like usual
Niggas swear they passed us, they doin' too much
Haven't done my taxes, I'm too turnt up
Virgil got a Patek on my wrist goin' nuts
Niggas caught me slippin' once, okay, so what?
Someone hit your block up, I'd tell you if it was us
Manor house in Rosewood, this shit too plush

Say my days are numbered, but I keep wakin' up
Know you see my texts, baby, please say some
Wine by the glass, your man a cheapskate, huh?
Niggas gotta move off my release day, huh
Bitch, this is fame, not clout
I don't even know what that's about, watch your mouth
Baby got a ego twice the size of the crib
I can never tell her shit, it is what it is (What)
Said what I had to and did what I did (Ayy)
Never turn my back on FBG, God forbid
Virgil got the Patek on my wrist doin' front flips
Givin' you my number, but don't hit me on no dumb shit

Workin' on a weekend like usual
Way off in the deep end like usual (Like usual)
Niggas swear they passed us, they doin' too much
Haven't done my taxes, I'm too turnt up
Virgil got a Patek on my wrist goin' nuts
Niggas caught me slippin' once, okay, so what?
Someone hit your block up, I'd tell you if it was us
Manor house in Rosewood, this shit too plush
