Dumping down the pills, I feel my head explodin'  
Roll a pound of dope, I gotta keep on smokin'  
Money comin' in, we ain't gon' never spend it  
10,000 bags of kush, we ain't gon' never listen  
I just wanna be there for my nigga, woo  
I just wanna go back to the Bentley store  
I just wanna go back to the Lamb' store  
I just wanna buy another Rover though  
I just wanna get back on a yacht tomorrow

All this money comin' in, can't never spend it

Pull up in that 'Rari, we don't know facade
