

# Future, Mad Luv

Got a Rollie on, got reverse doors  
They got mad love for us, we getting mad dough  
Trying to sabotage a nigga, gettin cash-flow  
We don't respect none of you niggas, we getting mad dough  
They got mad love for us, gonna stay that way  
We got mad goons on deck, they gone spray that way  
Outside niggas infiltrating, don't play around, don't play with me  
Outside niggas come around, we gone spray em down like Fireman

Whipping the dope like it's Anime, shootin a nigga like John K  
Got mojo, got mojo, I assassinate em  
Driving a boat on them xans  
Pour out a four in Japan, selling that dope out of France  
The molly is great with a tan, the presi it look like it's dancin'  
Diamonds is Mediterranean, this for the ones who abandoned me  
My heart is so full of some anger, all of you niggas is dangerous  
Drinking on Texas like I'm a Ranger  
I would've text you if I wasn't famous  
I be with Russians so fuck you complaining?  
Straight off the lot, going straight to the jeweler  
Straight out the Range and jump straight in the Masi  
Can't fuck with these niggas they sheisty  
Run in the bank on some robbershut  
We laying you down like a carpenter  
We go to clubs and stand on sofa, nigga  
I toss it up with all my day one niggas

Celine, Celine baby, I got the rings on me like Pippen  
Machine machine baby, I'm in that foreign machine baby  
I put the sting in the ring in Decatur  
I put a two and a baby in the pyrex  
I got a soft 6 O's, baby  
I'ma pull up in a Rolls, nigga  
I'ma sell me a whole chicken  
Ice cubes on me, no freezer  
Same color as a wife beater  
Platinum jewels make the ice cleaner  
The Actavis make the sprite pinker  
That's ya bitch? I'ma gone mingle  
I got my BM pushin' a beamer  
Gotta keep M's like it's a Nina  
Nine millimeter my little nigga  
I'm true to the game, baby  
I'm true to my gang, baby  
Keep a tool like, a main lady  
The bezel so froze cause I represent money, nigga  
Smashing on these hose tossing with my day one niggas
