Care-e-essin' you

'Cause you is the one

I'ma tell you I'm so proud

If I ain't told you in a minute  
I'm so proud, I'm so proud of you  
Se-e-e-exin' out loud  
Se-e-e-exin' out loud  
Fle-e-e-exin' right now  
Fle-e-e-exin' right now  
Drop tops in the wintertime, oohooh  
Drop tops in the wintertime, with security  
We the new illuminati  
We the new illuminati, babe  
All about us, fuck them  
We the new illuminati

I got the set  
That you fuck with the set  
When I give you the set  
Ain't be holding me back  
Gotta hold me down with you  
Nothing to lose, ain't got nothing to prove  
When you freakin' on me, and I'm freakin' on you  
Gotta ride it like a goon  
Soon as I'm ready and able, I give you that paper  
This ain't no favor, I'm flexin' like I got somethin' to prove  
Trap out the Ghost like a throwaway  
I could never see no hater  
I got five percent tint all around me, yeah  
Fine hoe, Yeezy  
Ain't no manners  
This nigga's too fake and they never could see me  
No ya, ya, yah  
Big pile, stretched out  
Alligator, crocodile on my seat  
Playa hater, long, see you later  
Left foot, right foot, let me see you step on my command, piss 'em off  
What's worse is we gon' do it with your friends  
Sexin' out loud  
Like guns sprayin' in the crowd  
Lay low go and roll up  
All shots fuckin' right now, yeah

I'ma tell you I'm so proud  
I'ma tell you I'm so proud  
If I ain't talked to you in a minute  
Im so proud, I'm so proud of you  
Se-e-e-exin' out loud  
Se-e-e-exin' out loud  
Fle-e-e-exin' right now  
Fle-e-e-exin' right now  
Drop tops in the wintertime  
Drop tops in the wintertime, with security
