

# Future, Now

I got my jewelry on me right now  
50 round carbine on me right now  
Got 100 round drum on the seat right now  
I got your bitch and she with me now  
I had a sip on that codeine now  
I like to pull up in Bentleys now  
My goons get it done with a mac 11  
You nigga gon' ride for the shit we reppin'  
Be cool on that fuck shit  
And Nell on that fuck shit  
We work that dope out the mud pit  
We on that dope and that mud shit  
We tryna sell niggas some love shit

Niggas try to flex they mussels on us  
We cut 'em off and bought some better choppas  
We'll fuck you bitches, let my brother hit 'em  
Fuck you niggas, let my robbers get 'em  
They just wanna see me out my mental  
Wanna fuck some commas up at my dealer  
Fuck you lemma up doin' numbers  
Pop a molly up, I remember  
Better put your Mrs. up Imma get her  
Fuck her in the mouth and then kiss her  
Got the crib out with all pistols  
I got my grill in, 20 thousand  
For the few chains, that a new raise  
I got this cute dame, give a fuck about her  
She want all this fame and a million dollars  
I done took this pain and I'm none of--  
Keep a few rings, give a fuck about 'em  
I'm in that new Range, give a fuck about 'em  
50 grand on the Mulsanne  
Sippin' drank at the Blue Flame  
Hit the booth, let the booth flame  
We ain't never cool, we just say that shit  
For this bitch, you gotta play my shit  
Run it back and then say my shit

All that old shit, y'all niggas still doing it  
I'm over that  
All that old shit, y'all niggas still doing  
Dawg, I'm over now  
All that old shit, y'all niggas still doing  
Dawg, I'm over that  
All that old shit, y'all niggas still doing
