

# Future Of The Left, Fuck The Countryside Allianc

Meadows, meadows  
Thanks for the meadows  
You take the a-roads  
And we'll have the towns

Tories, Tories  
Thanks for the Tories  
You sleep with devils  
And we'll wash our hands

Take a man to his nightmares in a landrover

Meadows, meadows  
Thanks for the meadows  
You take the a-roads  
And we'll have the towns
