Let's stop for a while, have recess Let's stop for a while, have recess Let's kiss for a while, have recess Let's touch for a while, have recess Do it for a while like a replay
Let me see you wind that ass up like a DJ
Run that back like a DJ
I know you see this big face
Chandelier froze for a bad one
Come and kick game in your ear while I smash you
And I keep them thangs in my ear while I'm smashin'
And I catch you hot like the flame and the passion
And I got the flash on deck, no battery
And I have some Tom Fords on while you suckin' me
Cuban link hang off my neck, to your neck from my neck
To my watch and my chain [?]

Baby let's go and have rich sex Make a little love on the rich sex Baby let's go and have rich sex Baby girl, let's have some rich sex I'ma keep my AP on while I do it We can keep an AP on while we do it You can keep your Rollie on when I get to it You can keep your Rollie on when I get to it When you look down, see my chains on When you look down, see my chains on When you're ridin' on me, see my chains on When you're ridin' on me, keep my chains on [?] Baby we can go and have rich sex Baby girl, go and have rich sex You ain't ever ever had rich sex You ain't ever ever had rich sex
