

Future, Truth Gonna Hurt You

Future Hendricks

My experience

Feel my music, hear my music

It's a cold-cold-cold world baby

Put on your coat

Preferably, check sure 'bout it

I didn't wanna lie to ya (aye)

But it sound more fly to ya (yeah)

I didn't wanna lie to ya (whoa whoa whoa)

I swear it sound way fly to ya (aye)

Cause the truth gone hurt you

The truth gone hurt you

I swear the truth gonna hurt you

Truth gon' hurt you (yeah yeah yeah)

I live a California lifestyle

All these girls around me, gone wild

And I'm so caught up in my own style

I can't see you niggas in the crowd

I'm so far, ain't gonna never come down

You can ask around, I run the town

Everyday for me, a fashion show

I'm Future Hendricks and I run Pluto (space)

I'm a rock star forever, I need to get my act together

When changin' up the weather, it's so hard to be settle (yeah yeah)

Since we first got together

Things changed for the better

I got die-hard fans and they treat me very special

Heard about forty bitches in the lobby

Ask me about it, I don't know about it

I'm boarding a first class flight

I ain't pack a bag over night

Cause I'm a shop when I land

Yea, I'm a shop when I land

When you playin' with them band

Five suite hotel, that's all where we staying

I'm frustrated

And I been up lately

(Just thinkin' of shit you know what I mean)

Goin' over my plan

Feel like I'm sinking in sand

Two thangs you wouldn't understand

I live the high life

Sex surf and money

Everything we do, we do it always to the morning

I got a trio, tryna suck me up like Tito

Ain't fallin' in lust

You need to trust when I tell you
