

# Future, Whip Game (feat. Freeband Gang)

I whip the lambo up the lot doing donuts  
I whip the chicken in the pot it was uncut  
I whip the sprite and the lean then I pour up  
I whip the white and the green, I got it sold up  
Got the whip game sowed up  
I got that whip game sowed up, I got that whip game sowed up  
I got that whip game sowed up, I got that whip game sowed up

I'm a chemist, dropped 1000 grams made it 15 hunder
