Live in the sky on a jet
Got an extendo on the tech
Soon as they see the baguette
I put chinchilla on the carpet
Choppas gon' dead like New Orleans
I paid that hoe just might want it
I fully loaded my Rollie
I woke up today I was high
I woke up today in the sky
Let's get it, let's get it
Let's get it, let's get it (freeband)
From city to city
To city to city, to city
They wet it, they wet it, they wet it
They let me bust on their titties
I spin it, I spin it, I spin it
I try to forget it
I'm callin' the shots, nigga
