

# Futureheads, Man Ray

It gives me manray  
It's what we like  
It gives me weston  
Touch eachother in black and white  
Eia eia eieieia, eia eia eieieia, eia eia eieieia etc..

Where did your hands go  
When you thought i was your life  
I could see his hands  
They were touching you all night

And where did your hands go  
When you thought i was your life  
I could see his hands  
They were touching you all night  
Touching you all night night night

Touch yourself, touch yourself, touch eachother in black and white  
Touch yourself, touch yourself, touch eachother in black and white  
Touch yourself, touch yourself, touch eachother in black and white  
Touch yourself, touch yourself, touch eachother in black and white

Give me manray  
It's what we like  
Give me weston  
Touch eachother in black and white

Touch yourself touch yourself / touch eachother in black and white  
Touch yourself, touch yourself, touch eachother in black and white  
Touch yourself, touch yourself, touch eachother in black and white  
Touch yourself, touch yourself, touch eachother in black and white
