

G-Eazy, Moana (ft. Jack Harlow)

I don't wanna hear about no drama
the chek ain't right if it an't no comas
know she been saying that she's faithful to you
but she been lying like Osama
I miss Obama
I went to Drama's
he got his won sauna
better come get her
cause you ho on us

got a bitch form Samoa
look like Moana
smoking on marijuana
go ahead and roll one up
I got a whole squad
got a whole lineup
oh, you tryna put a show on, huh?

here I go, nana
I know a Keshia and I know Lana
they try to get me back
but I am like no nah nah
I iam sorry, I don't want no drama
that's a hard no, pass
my house real gib and my car go fast
in the club smokin' Jack Harlow's gas
but I am about to do the drugs that Carlos has
old Miami Vice, bout at4 it
but I don't show up if they don't pay me for it
new York, party on the 18 floor
bur her ass so fat that I can't ignore it
I go crazy for it
but to ride the rides
you gotta be 18 for it
no gams jus some foreplay before it
and the sex so good
she wanna pay me for it, no

I don't wanna hear about no drama
the chek ain't right if it an't no comas
know she been saying that she's faithful to you
but she been lying like Osama
I miss Obama
I went to Drama's
he got his won sauna
better come get her
cause you ho on us

got a bitch form Samoa
look like Moana
smoking on marijuana
go ahead and roll one up
I got a whole squad
got a whole lineup
oh, you tryna put a show on, huh?
