

G-Eazy, Running Wild (Tumblr Girls 2) ft. Kossisk

Moving on crazy
Missing those calls
I'm trying to get to you
But you are making it hard

You said: You're running wild
Running wild, running wild
You love running wild
Running wild, running wild
Girl, just slow it down
Could you slow it down?
Cause you running wild and free

She running wild these days
Got in a fight the other night
Now we ain't spoke in 3 days

You are racing this time
A couple of your feiends had b-days
Someone said they seen you with somebody
You used up your cheat days
It's fucked up
Pot callinf the kettle black
Hate tehe fact you wilding out

Ans i am trippinf trying to get you back
All of the sudden the tables turn
Trying to keep this shit intact
Know you'll be the death of me
I am sying look thet's just a fact

Cause I'm in love with these Tumblr girls
With skinny waists And drunk habits
Pretty faces, love status
She acts as if she's tte baddest
Man, I swear - she's just like tons of girls
It's all pretend,
Can't see it?
You just wanna live carefree
Your soul's wild, go free it

Moving on crazy
Missing those calls
I'm trying to get to you
But you are making it hard

You said: You're running wild
Running wild, running wild
You love running wild
Running wild, running wild
Girl, just slow it down
Could you slow it down?
Cause you running wild and free

Ona a flight to Miami
Sitting 1st class withe champagne
Penthouse at the ...
All youer model friends came
She likes running wild and free
She is the one you can't tame

We here in a real world
She just thinks it's a game
Monday she is in love with you

Cna;t imagine no other
Tuesday we get in a fight
Wednesday blocking my numer
Thursday she's partying cover

Leave at 6 am.
Shooting the cover
Cause I'm in love with these Tumblr girls
With skinny waists And drunk habits
Pretty faces, love status
She acts as if she's tte baddest
Man, I swear - she's just like tons of girls
It's all pretend,
Can't see it?
You just wanna live carefree
Your soul's wild, go free it

Moving on crazy
Missing those calls
I'm trying to get to you
But you are making it hard
