

G-Eazy, Scary Nights

yeah
shh, shh
yeah

scary nights in the city
cut the light in the city
they don't wanna see the boys
who come whit me
they don't wanna se us prosper
they envy!
writtin' notes to myslf
ain't no notary
all my cars black
they still notice me
hunnid cts 'round me
thet still notice me
dressed in all black
they still know it's me
