

G. LOVE & SPECIAL SAUCE, Gimme Some Lov

Gimme some lovin' early in the morning
I just woke up with this appetite
Come on, gimme love in the morning light
Gimme some lovin' early in the morning
I just woke up with this appetite
Come on, gimme love in the morning light
Some people like it in the afternoon
I don't think that I can wait that soon
Come on, gimme love in the morning light
Some people likin' it late at night
I could wait that long but I don't think I might
Come on, gimme love in the morning light
I'm gonna love you soft and love you sweet
I could feel your heart beat
I need your attention to get me started right
I'm gonna wake you up with a kiss on the cheek
Come a little closer open up to me
Good morning babe Good mornin babe
Open your eyes just a little bit
Good morning sunshine I can't resist
Dreaming about you babe all through the night
