

G. LOVE & SPECIAL SAUCE, Leaving The City

I know this guy
All night long
She used to bang on the wall
All night long
Now she gone
Oh couldn't carry on
Yes I'm a leaving the city tonight
Oh where I'm from
All night long
Thats the noise in the streets
Baby all night long
Now I'm gone
I couldn't carry on
Yes I'm a leaving the city tonight
Oh baby I'm gone
Leaving the city
Yes I'm leaving the city
Outta town today
My got a little ???
All night long
See your dark fall over me
Baby all night long
Well now she's gone
Mmmmm couldn't carry on
Yes, I'm leaving the city tonight
And today I'm sure
All night long
Thats a little bit too long
Well I'm a pack my bags i'm gone
Yes where I'm going
What dangers I may face
You know I'd a leave this place
Ohhh I gotta get on get on get on down
Get on down
Well I've been hanging out for too long
Wastin' time
See I've been stickin' runnin' round
Flying circles all the time
Gots to get away
Might not be back no more
See I'm a leaving
Don't you know baby that I'm gone
Oh I'm a leaving
Yes I'm a leaving the city tonight
