G. LOVE & SPECIAL SAUCE, Small Fish

Ever since i've been a small fish oh yeah, oh yeah yeah yeah I sitting on the street man playin' my guitar lookin' at all the people passin' by the store well they don't even know i'm a small fish gonna swim and they just don't know where we're gonna begin ever since that i've been a small fish oh yeah oh come'on oh yeah yeah yeah livin' it lovin' it pushin' it oh now i'm shovin' it yeah we're kickin' it oh and we're lickin' it yeah we're lookin' it oh and we're cookin' it yeah and I'm takin' it you know and i'm breakin' it and i'm shakin' it and i can't bakin' it and i gotta take it oh I will take it but i couldn't makin' it i already made it oh yeah, watch out for the sharks the baracuda too you watch out for the big fish when they all try to eat you you watch out for the fisherman and the hook line and the sinker you watch out for the jellyfish cuz they all try to go get you ever since, they have been a small fish oh yeah, oh yeah yeah oh yeah yeah yeah yeah we go from coast to coast to coast to coast we go from coast to coast to coast to coast i said i go from coast to coast to coast to coast you gotta go from coast to coast to coast to coast to coast yeah and from see to shining sea oh ever since that I've been a ever since that i've been a small fish
