

G. LOVE & SPECIAL SAUCE, Sometimes

I'll always have myself ???
???
Sitting on the stair
Which way to find someone
Look around the city
Lookin' for my picture
I lost my money and my wallet at the ???
Oh Mr. can you find
Miss did you see me
Strange things ???
My place I've got to be
Sometimes
You know whats on my mind
Sometimes
You know whats on my mind
Wherever was i go
Its true I've got to go my own
Need someone to warm my soul
I don't know what soul
I get a bowl of soup
I feeling warm
I feeling warm
I'm asking to a ???
Don't tell me nothing
One thing I see
Peoples they mean
Looking for my brother
My brothers they're all gone
Gone to drive
I drive to stay alive
Sometimes
You know whats on my mind
Sometimes
You know whats on my mind
Sometimes
You know whats on my mind
Sometimes sometimes sometimes
I found a friend
Before he drops me ???
I met this girl
She wouldn't love me
I made some noise
Oh it was ugly
See I played myself
I can't get lucky
What you thinking
Always thinking much to learn
Time to burn
Sometimes
You know whats on my mind
Sometimes
You know whats on my mind
Sometimes
You know whats on my mind
Sometimes sometimes sometimes
You oughta know whats on my mind
Sometimes
You know whats on my mind
Sometimes
You know whats on my mind
Sometimes
Sometimes
