

# G. Love, The Things That I Used To Do

Things that I used to do  
Never do them no more baby  
Things that I used to do  
I ain't never gonna do them no more

Used to bother you around  
Tears in my eye, Low to the ground  
Try and get slower, We been nowhere  
You would leave me  
Like twinkle soul  
Is where to go  
Baby you and me  
get with the roll  
Here's a love song yeah  
And Im gonna sing it to you so slow  
In your eardrum getting ready  
All night long I rock steady  
Always glowing like Rudolphs nose at  
Christmas time  
Sure to glowin  
Shining, Undermining,  
In your veins all in your mind  
Upside you brain  
Knock down deliver like hot tamales  
I start to simmer

Things that I used to do  
I ain't never gonna UMM do them no  
more  
Things that I USED to do...yeah  
Never ever gonna do them no more

Used to bother you around  
Tears in my eye, sinkin Low to the ground  
Lower than the ocean, swimmin in the  
sea  
Like I m a sword fish, check me  
Baby shinin all night long  
just to get some

The things the House man used to do  
Never ever gonna DO them no more  
Yeah the thing that the marshmellow

man- jimmy -jazz prescot on the bass  
used to do  
Never Ever gonna do them no more

The things that I used to do  
Never Never Never Never gonna do them no  
More
